SUBJECT: Elliott COO to Speak at Economic Growth Connection Luncheon

February 15, 2017 - Jeannette, Pennsylvania – Michael Lordi, Chief Operations Manager of Elliott Group, will be the featured speaker at the annual membership luncheon sponsored by the Economic Growth Connection of Westmoreland County, Pennsylvania. The luncheon will include an annual update from the Westmoreland Development Council.

Mr. Lordi will share an overview of Elliott Group and the growing regional business opportunities related to shale gas and natural gas liquids (NGLs). He will also discuss how government and industry can work together to enhance infrastructure for the benefit of businesses and local communities.

The EGC Luncheon is February 20, 2017 at the Fred M. Rogers Center, Saint Vincent College, Latrobe, Pennsylvania.

About Michael Lordi

Mr. Lordi joined Elliott in 1987 as Sales and Marketing Manager for Elliott's Tube Tool business in Dayton, Ohio. Since then he has held increasingly responsible roles covering every aspect of Elliott's business, most recently as Vice President of Industrial Products (2008-2011), and Vice President of Global Service (2011-2016). He is a graduate of Grove City College, Robert Morris University (MBA), and Northern Kentucky University Chase College of Law. He is licensed to practice law in the Commonwealth of Pennsylvania.

About Elliott Group

Elliott Group is a global leader in the design, manufacture, and service of technically advanced centrifugal compressors, steam turbines, power recover expanders and axial compressors used in the petrochemical, refining, oil & gas and process industries, as well as in power applications. The company employs 2600 persons in 40 locations around the world. Elliott Group is a wholly owned subsidiary of Ebara Corporation, a major industrial conglomerate headquartered in Tokyo, Japan. Ebara employs 15,000 people and has sales of US \$5 billion.
